We know that communities are made stronger when they support and value their talented young professionals.

The Top 20 Under 40 awards allow the Topeka community to invest in this talent by recognizing the outstanding work of young professionals in our community. Nominating someone to receive a Top 20 under 40 award, you are providing valuable acknowledgement of their work, as well as encouragement to continue making a difference in our community.

Think of influential young professionals you know that are working hard to make a difference in Topeka and Shawnee County. They may be your friends, co-workers, neighbors, or attend your church.

The nomination window closes at midnight on June 9.

Trainer's Edge Class Upcoming!

Does your unit have a couple of Leaders that could benefit from training that could benefit them in Scouting as well as their career?

On Saturday, May 20, from 8:30 am—4:30pm Chris Wagner will be leading a class here at the Rolley Service Center.

Trainer's EDGE is designed to help Scouters understand the EDGE (Explain, Demonstrate, Guide, Enable) training model and gain self-confidence through hands-on training experiences. Presenters of all levels and skills are welcome and expected to attend. Participants will have the opportunity to be in front of a small group, which will offer feedback that will help improve skills as a trainer. Likewise, each person will provide the gift of feedback for other presenters in a positive, helpful way.
