**Subject:** BSA National Annual Membership Fees Announced

---

Dear Council Key 3s,

BSA's emergence from bankruptcy represents a pivotal milestone in the Boy Scouts of America (BSA)'s financial restructuring case and solidifies a path forward for survivors and the Scouting movement.

To preserve its mission, the BSA has had to take some extraordinary steps over the past three years to reposition the organization for the future. The BSA has streamlined its professional staff and volunteer structure, reducing costs throughout the movement while maintaining essential services to support the local councils who were critical partners during the bankruptcy.

To position Scouting for the future, the BSA will be required to increase the national annual membership fees for both youth and adults. This has been a difficult decision that involved the engagement of key stakeholders, but is essential to building a strong, safe, and vibrant Scouting program for our nation's youth.

Effective **August 1, 2023**, the BSA will implement the following national membership fees which were approved by the National Executive Committee:

- **\$80** for Cub Scouts, Scouts BSA, Venturing and Sea Scouting participants (\$5 increase)
- **\$60** for all adult volunteers (\$15 increase to provide general liability insurance and enhanced background checks)

- **\$25** one-time joining fee for new program participants in Cub Scouts, Scouts BSA, Venturing and Sea Scouting (Not prorated and no change in fee)
- **\$30** for Scoutreach (Not prorated)
- **\$25** for Merit Badge Counselors (New Fee applies only for Merit Badge Counselors not already registered as leaders)
- **\$50** for Exploring participants Youth & Adult (\$5 increase)
- **\$100** for a unit charter/affiliation fee (no change in fee)
- **\$15** for *Scout Life* magazine

### **New Annual Membership Fee Process Announced – BSA Will No Longer Prorate Fees for New Members beginning August 1, 2023**

Beginning August 1, 2023, all new youth and adult members who join Scouting will be enrolled in a 12-month membership cycle and BSA will cease prorating fees. Both youth and adults will pay the full annual membership fee and will renew their membership on the anniversary date of joining Scouting. All proration of membership fees will be eliminated. Each registered member of the BSA will receive an email notice with a registration renewal link beginning 60 days before the anniversary date they joined Scouting. Unit leaders will receive a copy of the email and should stay engaged in the membership renewal process just like rechartering.

It is important to note, existing members will renew their membership during their normal registration/recharter cycle through March 2024. Moving forward all members will renew on their anniversary date.

- Existing members' Anniversary date will be their unit recharter month.
- New members' Anniversary date will be the month they joined.

This new process will help streamline the rechartering and membership renewal process for units and councils. *Additional information on this membership renewal process will be forthcoming in the very near future.*

### **Rules and Regulations - Local Council Annual Registration or Program Fees**

Under the Rules and Regulations of the BSA, a local council may charge an annual registration or program fee to youth members, adult program participants and Scouters whose primary registration is with the council in an amount not to exceed the amount of the applicable individual registration fee for their position established by the Executive Committee. In the new Annual Membership fee structure, a local council may charge a maximum of **\$80 per youth** and **\$60 per adult**.

### **What does the National Membership Fee cover?**

The national membership fee helps cover the cost of essential services to the local council and units. Services include expanded liability insurance for those participating in approved Scouting activities, enhanced criminal background checks, a variety of program resources, youth

protection and leader-specific training, and the development of intellectual property for national, council, and unit programs. As BSA moves forward, the organization will continue to look at the membership fee structure and how we deliver the Scouting program for future generations.

Across the country and in each of our communities, we know that Scouting remains one of the most valuable investments we can make in youth today so they can become the leaders we will turn to tomorrow. Our dedicated volunteers, staff, and Scouting families make this possible. Thank you for continuing to support one of the most valuable opportunities available to young people today.
