## **ABOUT NYLT**

NYLT is a 6-day course that delivers training in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment.

This course is offered to individual Scouts looking to improve their leadership skills in Scouting, school, and life.

## **NYLT is the *PRIME* leadership training!**

“I recommend NYLT to other Scouts because it is fun and the skills you learn in the course will help you with your life.”

-- Jakob Kebert --

“NYLT is awesome because I learned how to improve my leadership skills, made new friends, and had a ton of fun!”

-- Kyndra McGinley --

With application of the skills learned during the course, in their home units, participants can earn the **Silver Arrow Award** patch. This award is only available to scouts who complete the course in Jayhawk Area Council. Goals for applying the lessons learned are agreed upon with the home unit Scout Leader and are accomplished during the six months after the course.
