

BOY SCOUTS OF AMERICA®

JAYHAWK AREA COUNCIL

Campership Program Application

The Jayhawk Area Council, BSA promotes camping and does not want any Cub Scout, BSA Scout, or Venture to miss the opportunity to attend a summertime camping program offered by our Council due to financial hardship.

"A Scout is Thrifty." The Boy Scouts of America and the Jayhawk Area Council encourage all Scouts to pay their own way to Scouting activities, as this philosophy supports the basic aims of Scouting. However, we realize that some Scouts need a little extra help at times in order to participate. The Campership Program is designed to aid Scouting families in these circumstances. (1st time applicants will be given priority consideration.)

The Campership Program is funded by donors, popcorn sales, and Dillions Reward program. These funds are specifically designated for use in assisting youth registered in the Jayhawk Area Council attending Jayhawk Area Council camps.

We encourage Scouting Units and families to help Scouts earn funds for camp. Here are some suggested methods for fundraising:

1. **Sell Popcorn!** The unit can allocate a portion of its commission to individual salesmen and you can earn additional credit towards camp.
2. Organize a **fundraising project** to specifically assist youth attending camp. Each Scout should be given credit towards camp fees based on the amount of effort they put into it.
3. Ask your **chartered partner** for support. Perhaps the Scout can perform special service or a work project in return for assistance.
4. Each Scout should be encouraged to **save money** on their own, e.g., birthday gifts, mowing lawns, shoveling snow, or other odd jobs.

If after trying all of the above, the Unit finds that a Scout still needs financial help, the Jayhawk Area Council Campership Program will attempt to provide assistance. The Unit Leader or Unit Committee Chair must discreetly work with the family and carefully follow the procedure outlined below:

1. Verify with the family that there is a true need. Make sure that all other sources of funds have been exhausted before requesting campership assistance. Campership funds are very limited and we are not able to meet all requests. We need your help to see that campership dollars are provided to those who most need assistance. Requesting funds for someone who doesn't truly need it may prevent a deserving Scout from receiving assistance.
2. A parent or guardian must fill out the Campership Application (available in hard copy at our office or online) at <http://www.jayhawkcouncil.org/outdoorprograms>. The comments on each application will be treated as confidential and only members of the Campership Committee will have access to this information. The application must be filled out completely and signed by the Unit leader, Committee Chair, and the Scouting parent or guardian. **Incomplete applications will not be processed.**
3. **Applications must be signed and submitted to the Jayhawk office Center no later than April 1st.**
4. Each application will be carefully and objectively reviewed by the Campership Committee, based solely on the degree of need as indicated on the form. The committee allows up to 50% funding for each application. Lesser amounts may be given subject to the total number of applications received and amount of funds available. First time applicants will be given priority consideration.
5. Camperships applications will be reviewed and approved by the Campership Committee by mid March
6. **Notifications will be emailed to the Unit Leader listed on the application by April 15th.**
7. Once the Unit leader receives the approvals, he/she is required to review the acceptance letter and make sure that the Scouts listed will be attending camp and using the Campership. If the Scout is not attending any of the camps, please notify the Council Service Center so the amount can be reissued.
8. **A Scout may not be awarded a Campership more than four times throughout their Scouting journey.**
9. Campership Credits will be applied to the Units Summer Camp Account prior to their registration. **MUST contact our council office when you are ready to register your Scout for Summer Camp.**
10. If a cancellation is made for a Scout who received a campership, all refund policies will be applied.
