What makes NYLT unique and one of the premier programs in Scouting is the commitment of Scouts like you who are dedicated to the program's success. NYLT will require a lot of work and dedication on your part, to ensure the program completes its vision of what future success looks like. **It is important that you make ALL of the required training weekends**, as your fellow Staff members and Participants will depend on you and the Staff to deliver a quality program. [Some of these dates are near holidays and may change depending on weather or unforeseen circumstances, but we expect that you make your best effort to be prepared to attend each one.](#) The expectations of Youth Staff are very high, as NYLT is a model Youth-Lead program, but it is also a very rewarding and fun experience that will help you develop as a Leader.

We hope you will give this opportunity to be on NYLT Youth Staff careful consideration, and we look forward to you being a part of this year's excellent Program!

Respectfully,
