Why Scouts Should Attend

Scouts will **BE** empowered as Servant Leaders. They will **KNOW** how to effectively plan. They will be enabled to **DO** what it takes to lead their adventures.

Why Units Should Send Their Scouts

NYLT is *the* Youth Training Program that teaches Scouts how to lead their Unit. Having one or several NYLT trained youth will make a Unit more effective and youth lead.

Scholarships

The first 28 Scouts to register will receive a \$50 discount off the normal cost. There are also two \$200 scholarships available by application. See website for full information.
